Yorkshire **emc** & Compliance *Club*

York EMC Services Ltd. organises the Yorkshire **emc** & Compliance *Club*. The Yorkshire Club is one of sixteen regional clubs set up by the DTI to support companies whose products are required to comply with the CE Marking and other regulations.

CLUB AIMS AND OBJECTIVES

- To **HELP** companies manage the technical legal and business aspects of compliance and comply with the EU Directives.
- To **TRANSFER** compliance knowledge to manufacturers, users and importers
- To **PROVIDE** a forum to exchange information (and solutions) between companies with similar problems.
- To **PROVIDE** its members with professional and cost-effective compliance services, equipment, components and materials.

BENEFITS OF MEMBERSHIP

- **FIND OUT FROM EXPERTS** - through briefings and seminars - exactly how the Directives affect your company, products, job functions and departments.
- **KEEP UP TO DATE** - through members website or informative mailings - with the very latest developments, never get left behind.
- **ACCESS TO EDUCATION AND TRAINING** - through regular technical seminars, clinics, surgeries and demonstration workshops.
- **NETWORK AND SOLVE PROBLEMS** - at regular meetings with fellow companies and the Club's technical experts.
- **ENSURE YOU COMPLY WITH THE DIRECTIVES IN A COST EFFECTIVE MANNER** - through discounted test, assessment, training and consultancy services.
